

# Why do they always ask ... WHY?

## **What is it about our children – that drives them to investigate EVERYTHING!**

- Why do they pull things apart?
- Why is outside play important?
- How do children learn?
- What can you do at home?

## **Spaces are limited to 25.**

Presenters: Carolyn Harkness and Janice Schroder, both are qualified early childhood educators and lecturers at the Australian Catholic University.

Free to Parent  
Association Members  
(\$10 for non-members to  
cover material costs)

17th August 2010
